Mr. Drumheller

ANTHEM

*When I Survey the Wondrous Cross*

Gilbert M. Martin

When I survey the wondrous cross on which the Prince of glory died,  
My richest gain I count but loss, and pour contempt on all my pride.

Forbid it, Lord, that I should boast, save in the death of Christ, my God;  
All the vain things that charm me most, I sacrifice them through his blood.

See, from his head, his hands, his feet, sorrow and love flow mingled down;  
Did e'er such love and sorrow meet, or thorns compose so rich a crown?

Were the whole realm of nature mine, that were a present far too small;  
Love so amazing, so divine, demands my soul, my life, my all.

PRAYER FOR ILLUMINATION

**In the truth of your Word, O Lord, reveal the truths of our lives. Illumine our hearts, refresh our lives, and renew a right spirit within us. Amen.**

*Agriculture: A Wise and Noble Pursuit*

Central students have been learning about and discussing North Carolina agriculture and why it's so important to our lives. Fifth graders and Kindergarteners learned about cows and all the ways they are used and the products they give. The fifth grade focused on foreshortening and painting techniques to show depth. The Kindergarteners created their cows by using simple shapes and lines. Fourth graders created those glorious creatures that wake everyone up each morning: the rooster. Third graders discussed the beautiful sunflower fields found across our local countryside and learned about radial symmetry and the Fibonacci sequence found in the seeds. Second graders learned the importance of bees in agriculture and created prints to use in their collages. And finally, first graders learned about lots of local agriculture and that North Carolina produces the most amount of sweet potatoes in the United States. They created a watercolor resist of a colorful farm.
