## January 2023

### *From Where I Sit*

Happy New Year! I went back and read my article from last January and it seemed right to offer and update. Time still flies, that's for sure, and I continue to pray you have a healthy and blessed new year and I look forward to our continued ministry together in the coming days. I also still have a long list of 'I don't knows' that have to be accounted for. One of the 'I don't knows' from last January's article is 'what-in-the-world is happening with the search for an Installed Pastor'. While there's still a whole lot about that that remains unknowable, there are a few things that are now knowable. Here are the 'code' words for the process: COM = Committee on Ministry; PNC = Pastor Nominating Committee; MIF = Ministry Information Form (church's resume); PIF = Personal Information Form (candidate's resume).

And here are the Steps of the Installed Pastor Search:

1. Transitional Pastor Called \_\_\_\_\_
2. ~~When the church wants to form a PNC, these questions are asked by COM:~~
2. ~~COM approves the formation of the PNC.~~
3. ~~Once elected, COM liaison conducts orientation/training of PNC.~~
4. Creation of Ministry Information Form. (In process)
5. MIF must be approved by the Session of the church and by the COM.
6. MIF posted on the PCUSA Church Leadership Connection.
7. Review of potential candidates.
8. When the PNC narrows to a few candidates and begins planning face to face visits, General Presbyter performs an "exec check".
9. PNC selects final candidate and conducts interviews and extends a call.
10. The COM approves the transfer of the candidate, reviewing the PIF and the terms of call.
11. The PNC gets permission to go to their Session to request a congregational meeting be held to vote on their recommendation.
12. Installed Pastor is called and installed.

You should know that the PNC meets weekly to conduct this important work. Further on in the newsletter, you will find a fuller explanation of the PNC's work. If you catch yourself worrying about the speed of the search process, might I suggest you look into some of the amazing, ongoing ministries here at FPC. New Committees are being formed and there's a place for your God-given gifts to be put to work for the building of God's kingdom and new ideas are always welcome. Surprise an officer by letting her or him know you'd like to serve. If you know of something that is NOT happening during this transitional time, please bring it to my attention or to the attention of one of the officers. In the meantime, let's continue to be faithful to God's call to us to tend to the work of ministry at hand, trusting God's guidance, leadership, and grace.

Have a blessed New Year! And that's the view from where I sit. *Cathy*

### **A special note from Stan**

Many, many thanks to all of you for the comments, cards, and best wishes that you have conveyed to me in recent weeks. It has been a pleasure to serve on the staff at First Presbyterian Church for the years that have flown by all too quickly. Normally one would say that it was great to work for an employer, but I must admit that my tenure at the church never seemed like “work”. I am so thankful that “two months” continued a little longer than any of us anticipated. I want to thank you too for becoming and being my “church family” over these years. You have truly made me, and my family feel a part of this wonderful community. Please accept my sincere gratitude for the most generous gift that you presented during worship on December 11. Words are inadequate to express how truly blessed my life has been during our time together. Love to you all.

Stan

## A Message from the Pastoral Nominating Committee

We want to give you an update on what we are doing and what the potential timing might be to call a new pastor.

If you are like most of us, we deeply appreciate the terrific job Cathy is doing as Transitional Pastor, but we are also looking forward to having a new “permanent” pastor in place.

Since the Pastor Nominating Committee was elected in mid-October we have met every week except for Thanksgiving week and Christmas week, and we have done homework in between meetings.

For those of you who have not been through the process of hiring a Pastor in PCUSA, it is a very detailed and disciplined process that just takes time. Our first meeting involved two members of the Presbytery Committee on Ministry providing training on what we need to do and how we need to do it.

The first and by far largest task has been to draft the Ministry Information Form (MIF), a ten-page form that includes many key facts about our church, some specifics about the job we are trying to fill and five lengthy essay questions related to our vision for ministry, our emerging needs, how a new pastor can help us, the characteristics of the person we are looking for and the pastor’s specific responsibilities. It also lists 33 different leadership competencies and asks us to select the 10 that are most important to our church. By the time you read this newsletter we hope to have a draft of the MIF virtually complete. Our plan is to submit the draft to Session in January for their approval. It then goes to the Presbytery Committee on Ministry for their approval. If any revisions are required, they must be made and reapproved by both groups. We are hopeful that will not happen.

After those approvals are given, the MIF is sent to PCUSA and can go live on their website. Well, what does that mean? Most PCUSA pastors who are open to a call to another church will have filled out a lengthy Pastoral Information Form which indicates their experience, their geographical preferences, and their salary requirements. They also must select the ten leadership competencies that they believe are their strengths. This information is fed into the PCUSA computer system and we are provided with the names and Information Forms of potential pastors where there is a computer “match”. Pastors also get our Information Form so they can know more about us.

After a few weeks in the system we hope to have a pool of potential candidates and we can then begin the screening and interviewing process. We may conduct one round of interviews via Zoom, and then narrow down to finalists who we would invite for personal meetings with the Nominating Committee. When we believe there is a terrific candidate and a good match, we will make a conditional offer. That individual will need to be background checked and approved by the Presbytery and then presented for a vote by you, our members, in a congregational meeting. It is impossible to forecast when that will be, but if there is a good pool of candidates we would like to be able to call a new pastor sometime later in the Spring. Importantly, you should know that all the work described above in this paragraph must be done in total confidentiality.

We wish this could be done faster, but the process will really be a huge help to ensure that there is a good match between the skills and experience of a pastor and the needs and interests of our church. In the meantime, we ask that you keep our team and our work in your prayers. We appreciate the trust you have put in each and every one of us.

Your Pastor Nominating Committee,

Emily Andrew

## !!! PFEIFFER PFRIENDS ARE NEEDED !!!

The Health Sciences Program of Pfeiffer University continues its presence in downtown Albemarle. Students from across the United States and the world are working on a degree in the Physician's Assistant or Occupational Therapy Programs. First Presbyterian, along with some other churches in downtown, are in partnership with these students which is similar to our Silent Partner program for our college students. The main difference is the length of the relationship (each program is 27 months long), and the Pfeiffer student will know who their friend is. It is the hope that there will be communication at least once a month between the friend and the student. As of January 1, 2023 there will be approx. 100 students on campus.

**Your willingness to be a Pfeiffer Pfriend would be a blessing.**

For more information, please email Martha Sue at [hallmsh@hotmail.com](mailto:hallmsh@hotmail.com) or call her at 704-985-5821.

Pfeiffer Pfriends Informational Sheet.

### *You are appointed for such a time as this!*

Thank you for your interest in the **Pfeiffer Pfriends** Program at the Pfeiffer Health and Science Building in downtown Albemarle. As of to date, there are approximately 150 plus students on campus for our graduate programs. Some of the students are in Albemarle every day while others may be in "rotation" at some point in their 27-month journey.

The **Pfeiffer Pfriends** program is designed to "encourage, support, and friend" students that are many miles away from their home base. The **Pfeiffer Pfriends** are collectively appointed individuals from local churches and the community. There is a special "vetting" process before a student and an individual is paired together.

It is the expectation that the **Pfeiffer Pfriend** will contact the student at least one time a month during the student's 27-month period at Pfeiffer University. This contact can be in many forms: text, emails, cards, gifts, and the list goes on. This is not a "silent" program as you are encouraged to reach out to your student and develop a relationship with him/her so that they know they can count on you to answer questions about our community; keep them updated on activities in our community, and most of all "*be there to support them.*" Be on the lookout for "mixer events" where we invite the students and the **Pfeiffer Pfriends** to come together at the campus as a safe way to meet. Our first event was a huge success. Many students and **Pfriends** felt very comfortable with this opportunity to get to meet one another.

You, as a **Pfeiffer Pfriend**, will be given an information sheet that the student has personally filled out. Some students are very forthcoming and detailed with their responses, whereas others are vague, and it might take some time for them to warm up to the idea of sharing what they like.

Things to remember as a **Pfriend**:

- This is **NOT A SILENT** partner program – they will know your name as you will know theirs.
- You are encouraged and asked to stay connected in some form or fashion with your student.
- Remembering that most if not all students are new in town and have a tough curriculum to sort through – they have been reminded and encouraged to respond to any kind of gesture on your part with a simple acknowledgment (thank you) – but do not be discouraged if they do not respond or forget. There is a great deal on their plate.
- Items are given or contacts can be made by:
  - Mail
  - Drop off at the campus through Kelly – just text (704-956-5556) and let her know you are there to drop off a gift and she will come downstairs on the side of the building and receive your gift. ([kelly.loflin@pfeiffer.edu](mailto:kelly.loflin@pfeiffer.edu))
  - This program is **NOT** about bringing these students to church, but rather whatever you have done to the least of these you have done it unto me. We are to be his hands, his feet, and planting seeds wherever we go.

We want to encourage these students in their studies as they prepare for the journey that lies ahead. We welcome them into our rural community in hopes they will choose to work in our rural community healthcare system.

You are appointed for such a time as this – be their **Pfriend**!

Warm Regards –

Martha Sue Hall 704-985-5821

In an effort to keep the prayer list updated, we would appreciate your help. Please notify the church office (704-982-2722 or [bpoolos@fpcalbemarle.org](mailto:bpoolos@fpcalbemarle.org)) or Martha Sue Hall (704-985-5821 or [hallmsh@hotmail.com](mailto:hallmsh@hotmail.com)) of changes.

Thank you.

Do you ever see a name on the prayer list and think, *Now who is that?* Or forget what the relationship is? You are not alone as many folks have asked for help with this. The *Prayer List Connection* will refresh all our memories. Folks with chronic needs will be listed for a month in the bulletin. Following that month, we will keep them on the newsletter's *Prayer List Connection* for as long as we are requested to do so. Critical prayer concerns will be added weekly to the prayer list in the bulletin.
